[KERRY SEARCHES FOR A FRAMEWORK FOR CONTINUING TALKS](#)

U.S. efforts to end the conflict between Israelis and Palestinians are now focused on the presentation by Secretary of State John Kerry of a U.S.-drafted “framework for negotiations.” This will be an American document, but Kerry has said both sides may offer reservations.

[TO OUR READERS](#)

When Secretary of State John Kerry announced new peace talks in July 2013, the parties agreed the talks would be secret. While complex and sensitive diplomacy usually cannot be conducted in the full glare of public scrutiny, it is also true that in democratic societies the public must be engaged in debating and resolving vital issues.
